

EASTER HOLIDAY SPORT

A MULTI-SPORT HOLIDAY COURSE FOR GIRLS AND BOYS IN YEARS 3 - 8

Dates: Monday 31st March – Thursday 3rd April 2025
Times: 9.00 – 12.00

With the assistance of a number of other Cheam staff, we shall be running our annual **four day** Easter sports course in the first full week of the Easter holiday at Cheam.

We will aim to offer the children a wide variety of competitive sport including:
football, hockey, netball, tennis, cricket, touch rugby, golf and play various other outdoor games.

The children will take plenty of exercise during the sessions and we shall play several small sided competitive games which we know the children love. Ultimately our main aim is to ensure the children have lots of fun with one another whilst getting outside for a few hours to play lots of sport! It is the perfect opportunity to get your children charging around in the mornings and it will enable them to get plenty of fresh air!

For Boys & Girls in Years 3-8

All sporting abilities are welcome

The cost is £120 for the 4 day course.

Please email Mr Chapman (chapmant@cheamschool.co.uk) to register your son or daughter for the Easter Sports Course. Payment info and final details will be sent out at the beginning of March. For any further details please do get in touch.
